Profile

Aspiring Full Stack Developer with hands-on experience in building dynamic web applications using Python, React, JavaScript, HTML, CSS, and Bootstrap. Passionate about creating responsive, user-friendly interfaces and efficient backend systems. Seeking an opportunity to contribute to real-world projects, enhance my skills, and grow as a software professional in a challenging development environment.

Education

Kamaraj College of Engineering and Technology Master of Engineering (Computer Science) CGPA: 7.95	Virudhunagar 2014 - 2016
Kamaraj College of Engineering and Technology Bachelor of Engineering (Computer Science) CGPA: 7.03	Virudhunagar 2010 - 2014

Experience

Python Full Stack Trainee VTS	Feb/2026 - Present
Developed and deployed full-stack web applications using HTML, CSS, Bootstrap, JavaScript, React. Built dynamic e-commerce features such as product filtering, cart management, and user authentication. Designed responsive UI using Bootstrap and custom CSS to ensure cross-device compatibility. Gained hands-on experience with version control using Git and collaborative development on GitHub.	

Skills

Programming Languages:	Python, HTML, CSS, JavaScript
Libraries/Frameworks:	React, Bootstrap
Tools / Platforms:	Git, GitHub, vercel, vs code
Databases:	MySQL

Projects

Exam Portal Link - Sugansdv/VTS_EXAM_PORTAL	React, Bootstrap, JavaScript
<ul style="list-style-type: none">Built a client-side React web app to manage trainee assessments for training institutesImplemented secure login and personalized dashboards for pre-registered traineesDesigned MCQ-based Technical exams and manual scoring for Practical exams with localStorage trackingCreated a Results page for trainers to view, edit, and export scores as CSVEnsured a responsive, intuitive UI using React Router, Bootstrap, and custom CSS
